# Improves Functions of Cells, Nerves, and the Blood System

## Vitamin B-6

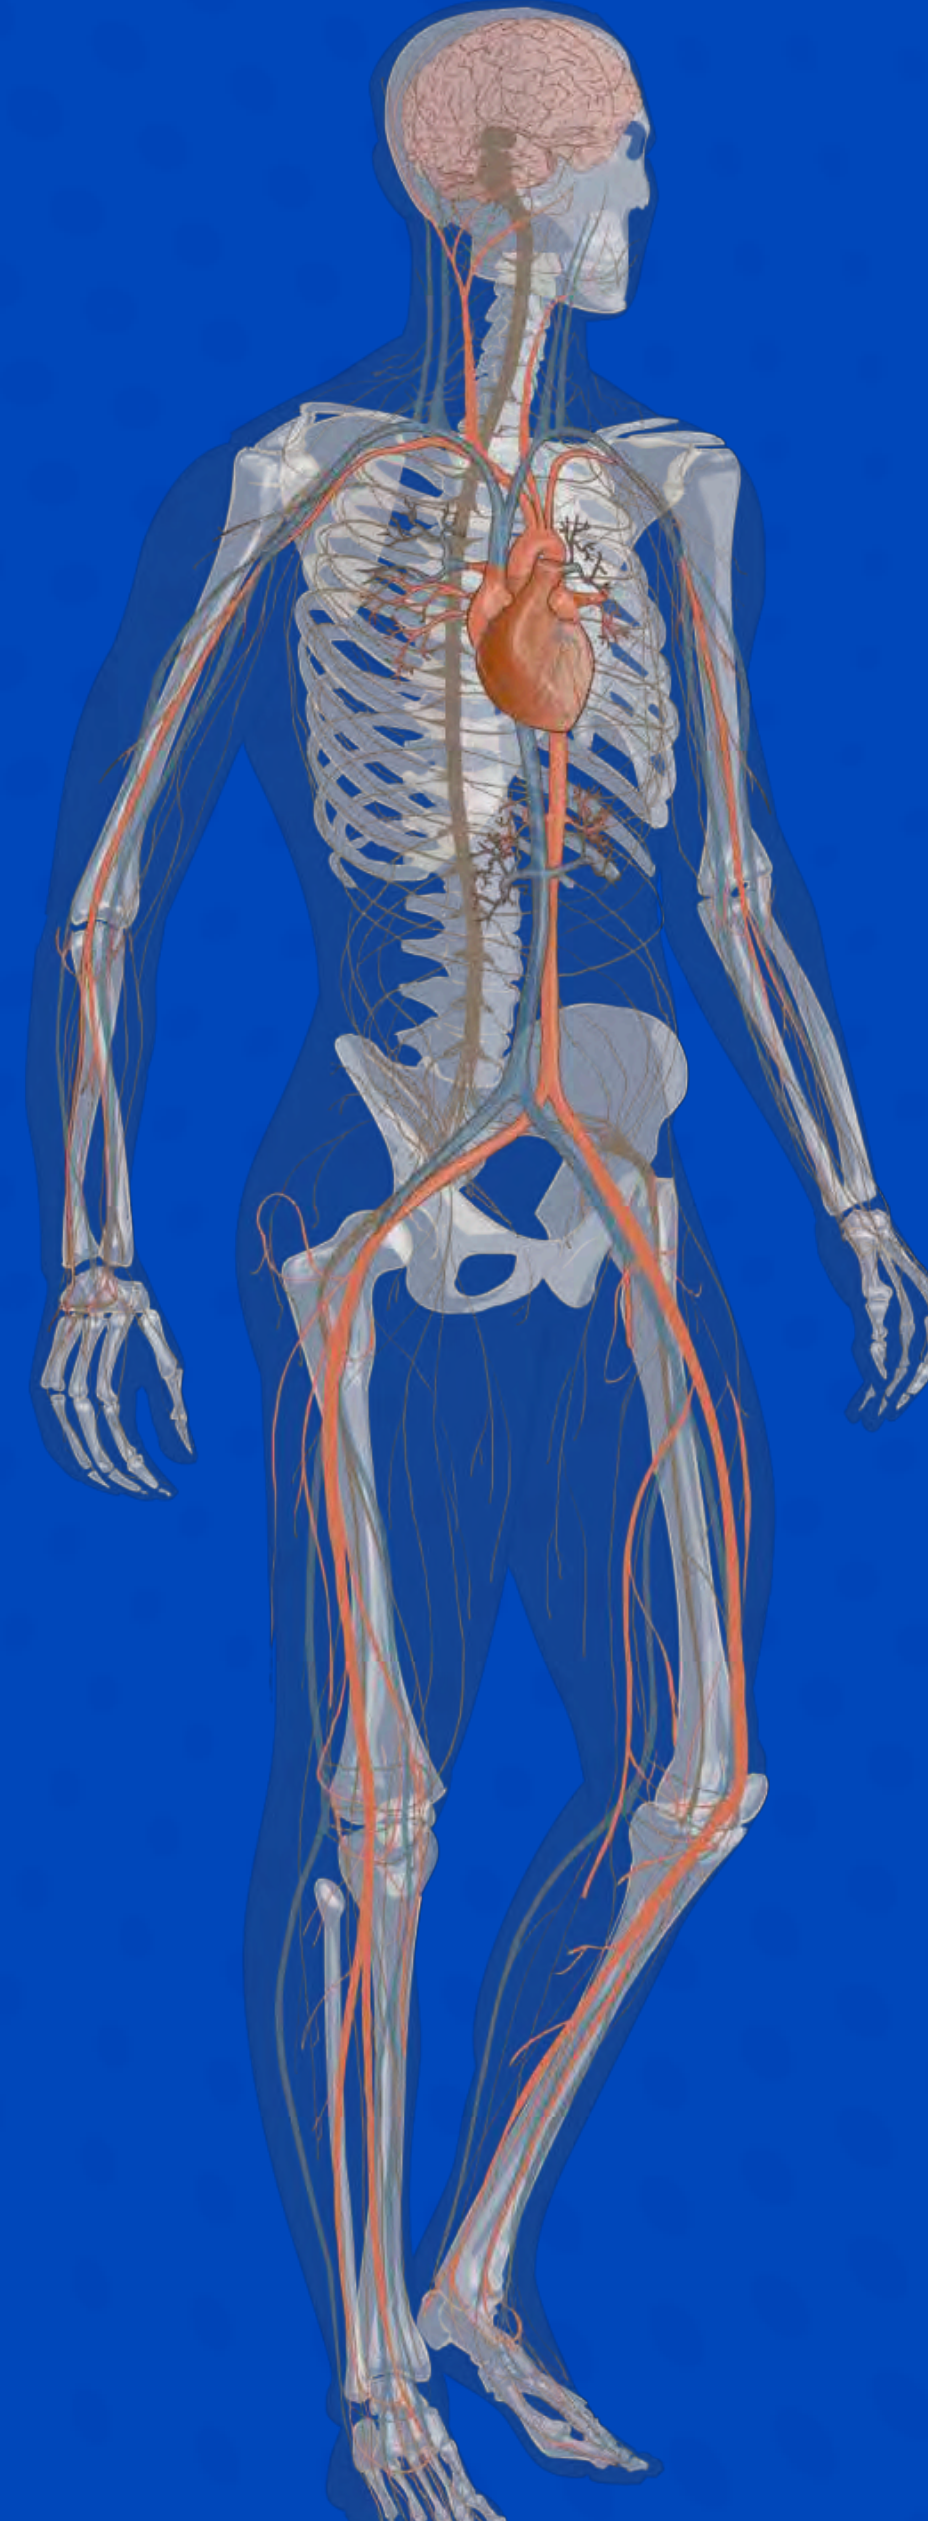

Helps maintain the health of nerves.

## Vitamin B-12

Essential for blood cell formation and supports metabolic health.

## Magnesium

Promotes functioning of cells, nerves, muscles, bones, and the heart.

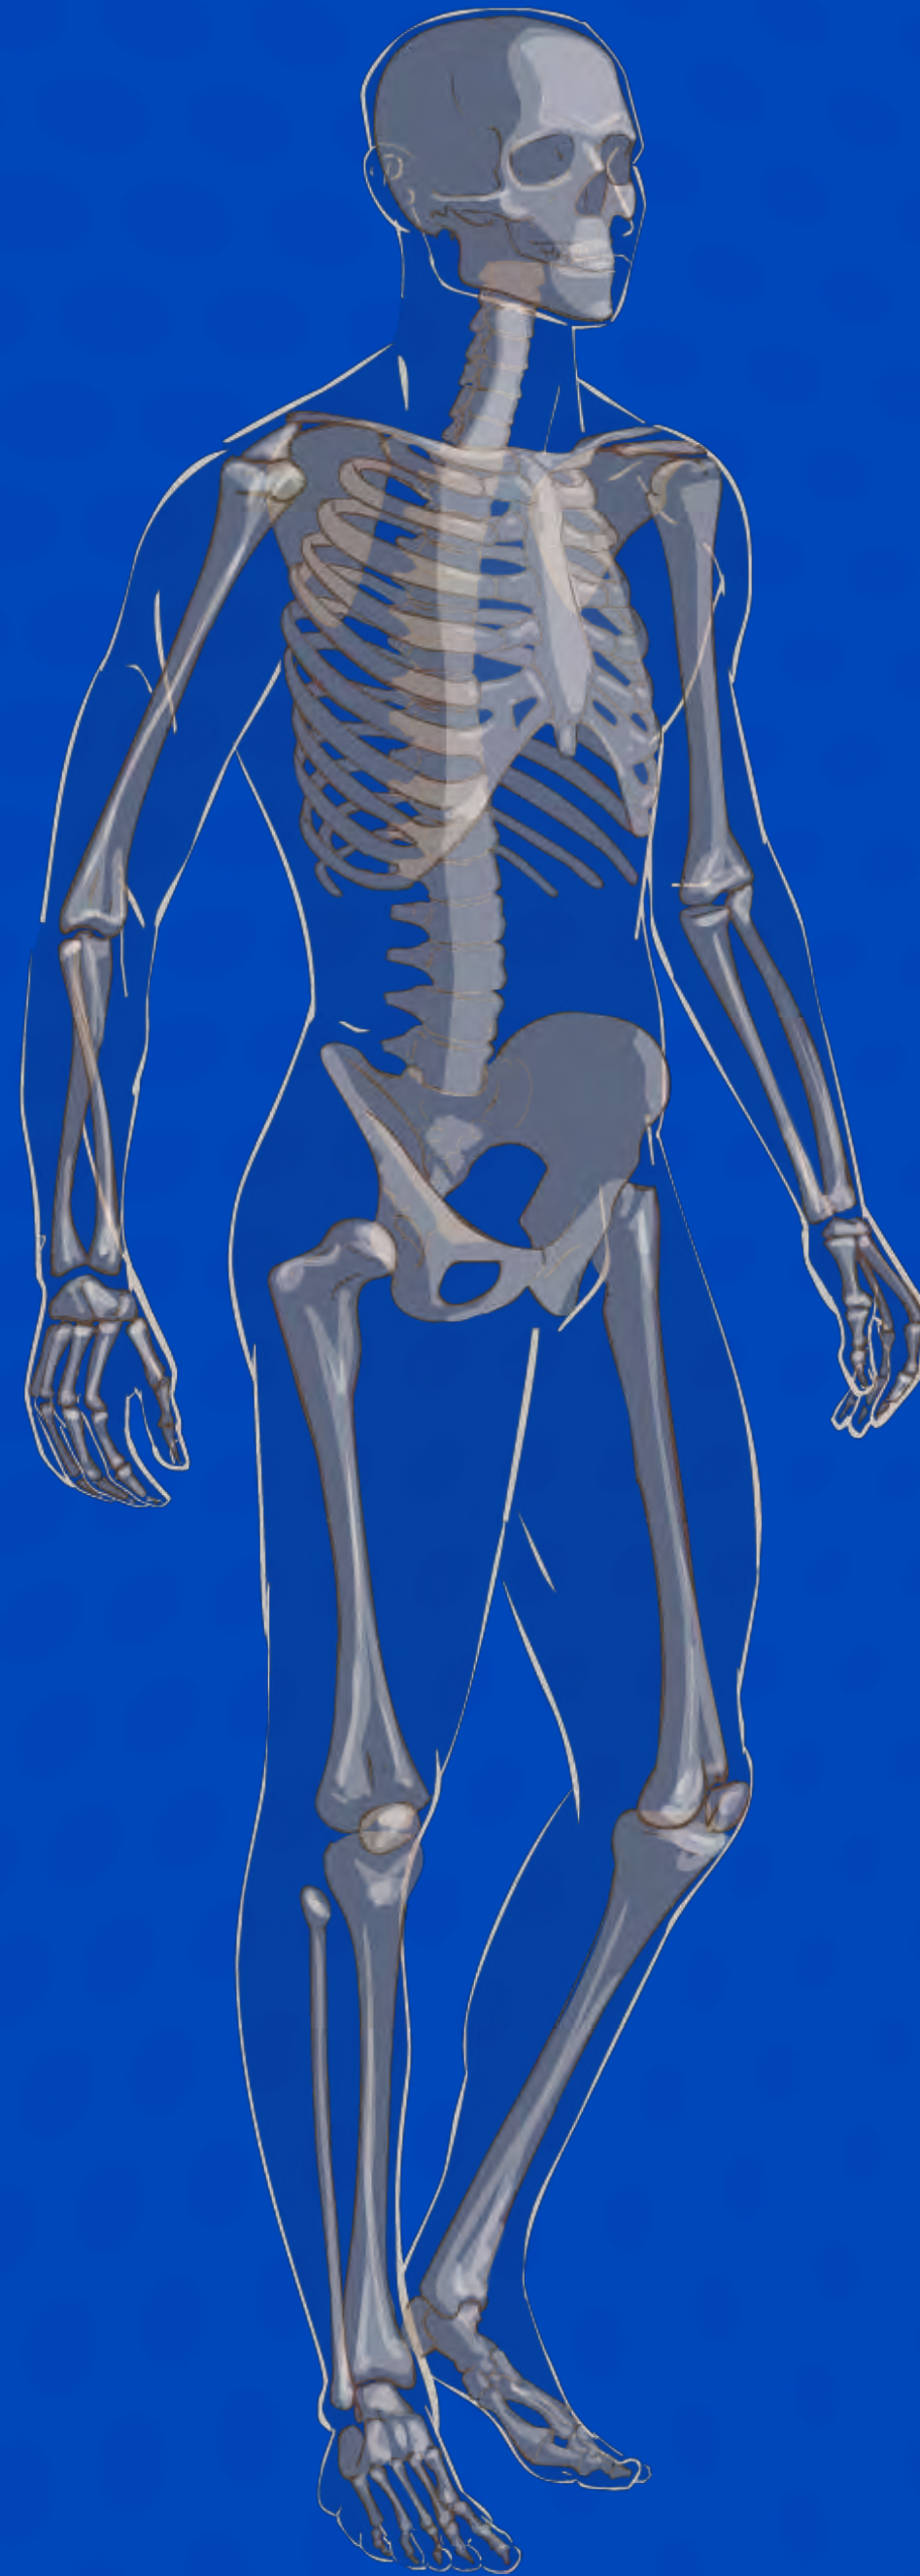

## Proprietary Blend (Choline Bitartrate)

Keeps the cells and nerves working normally.

## Proprietary Blend (Trace Mineral)

Antioxidants improving blood system.

## **Helps Better Bone Health**

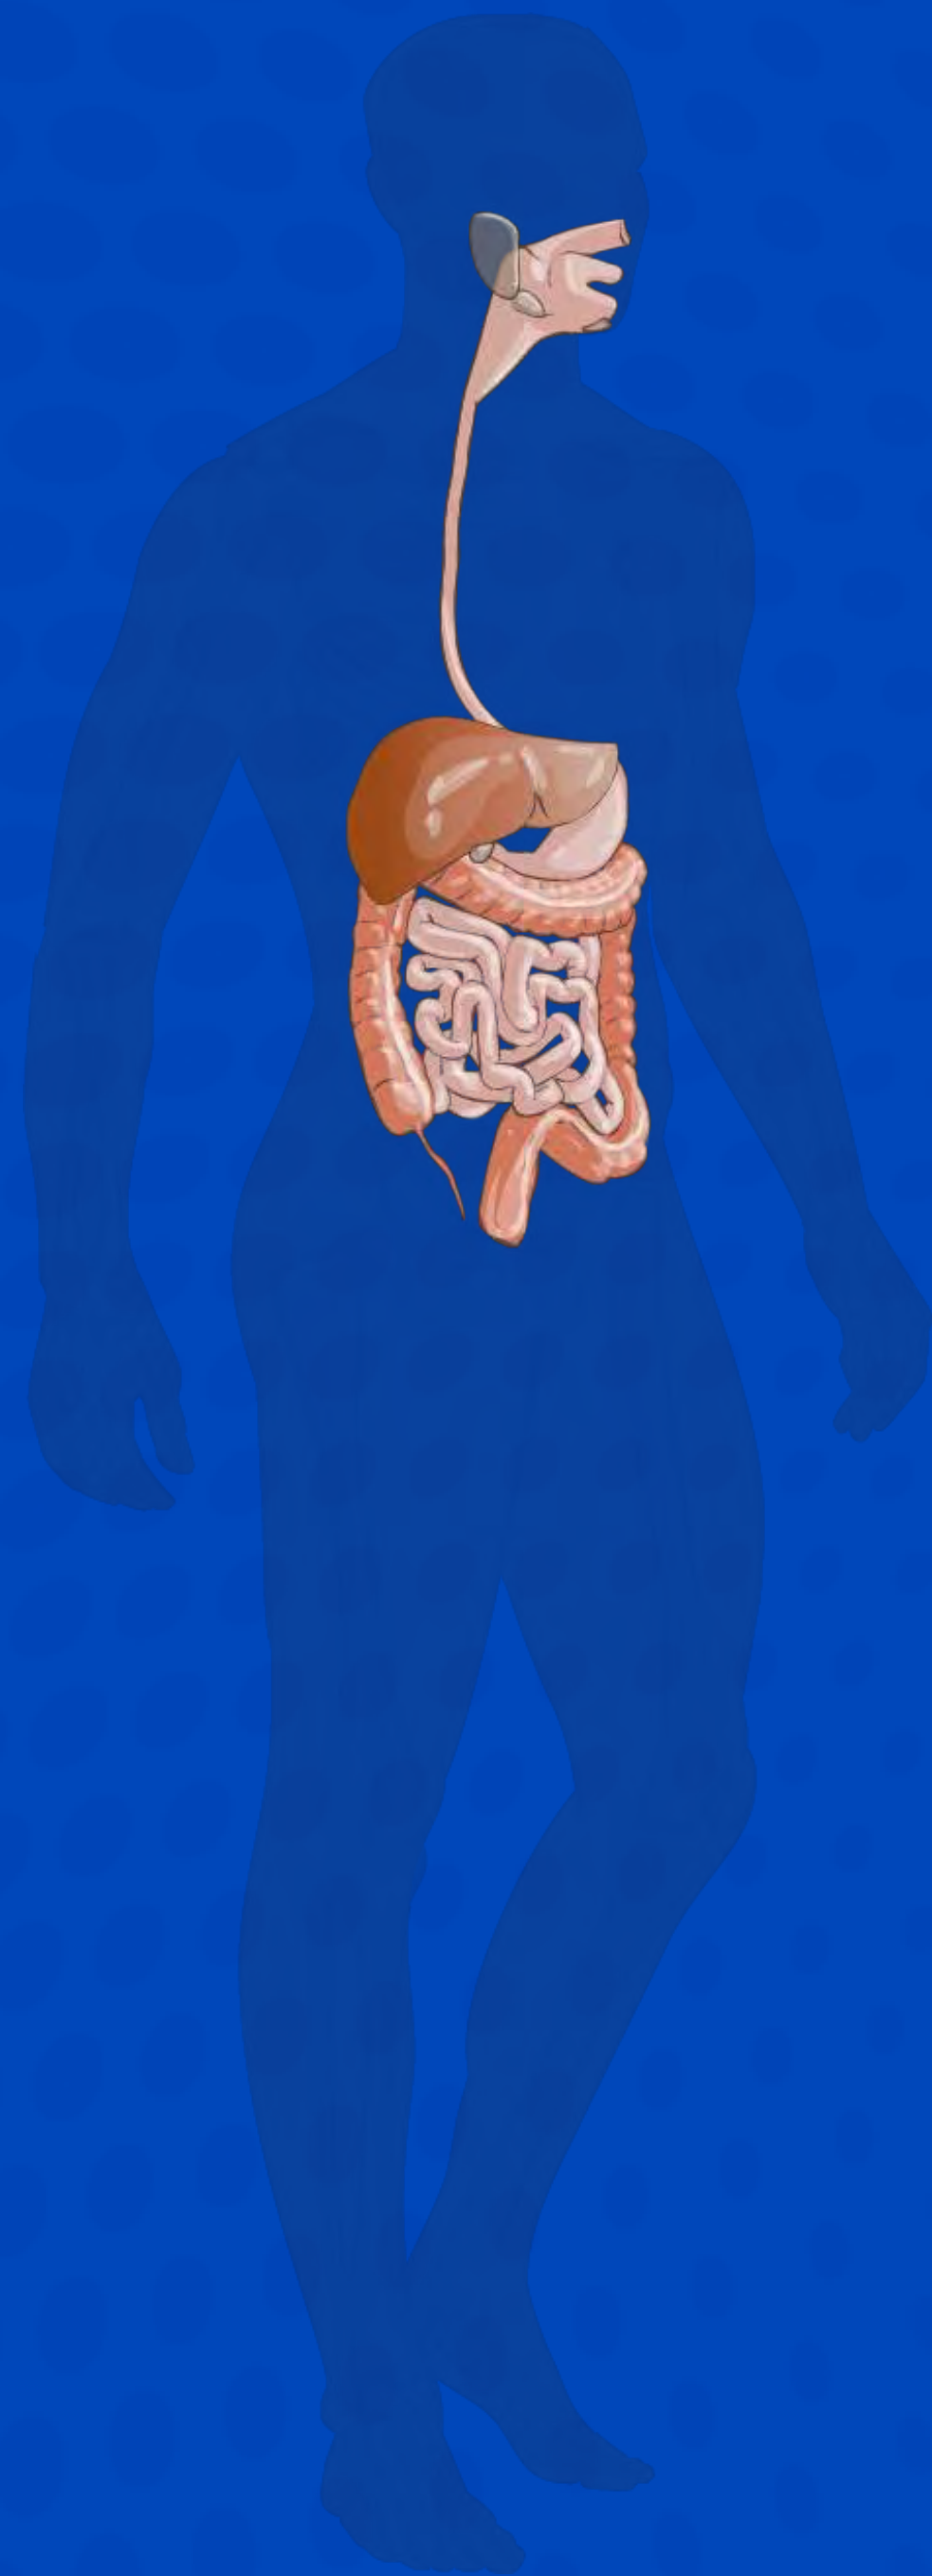

### **Calcium (Aquamin)**

Promotes bone health.

### **Magnesium**

Promotes functioning of cells, nerves, muscles, bones, and the heart.

# Improves the Digestive System

## Proprietary Blend

### (Jet Black Cocoa Powder)

May improve digestion, due to its anti-inflammatory action on the gut. Helps with detoxification due to the presence of antioxidants like flavonoids.

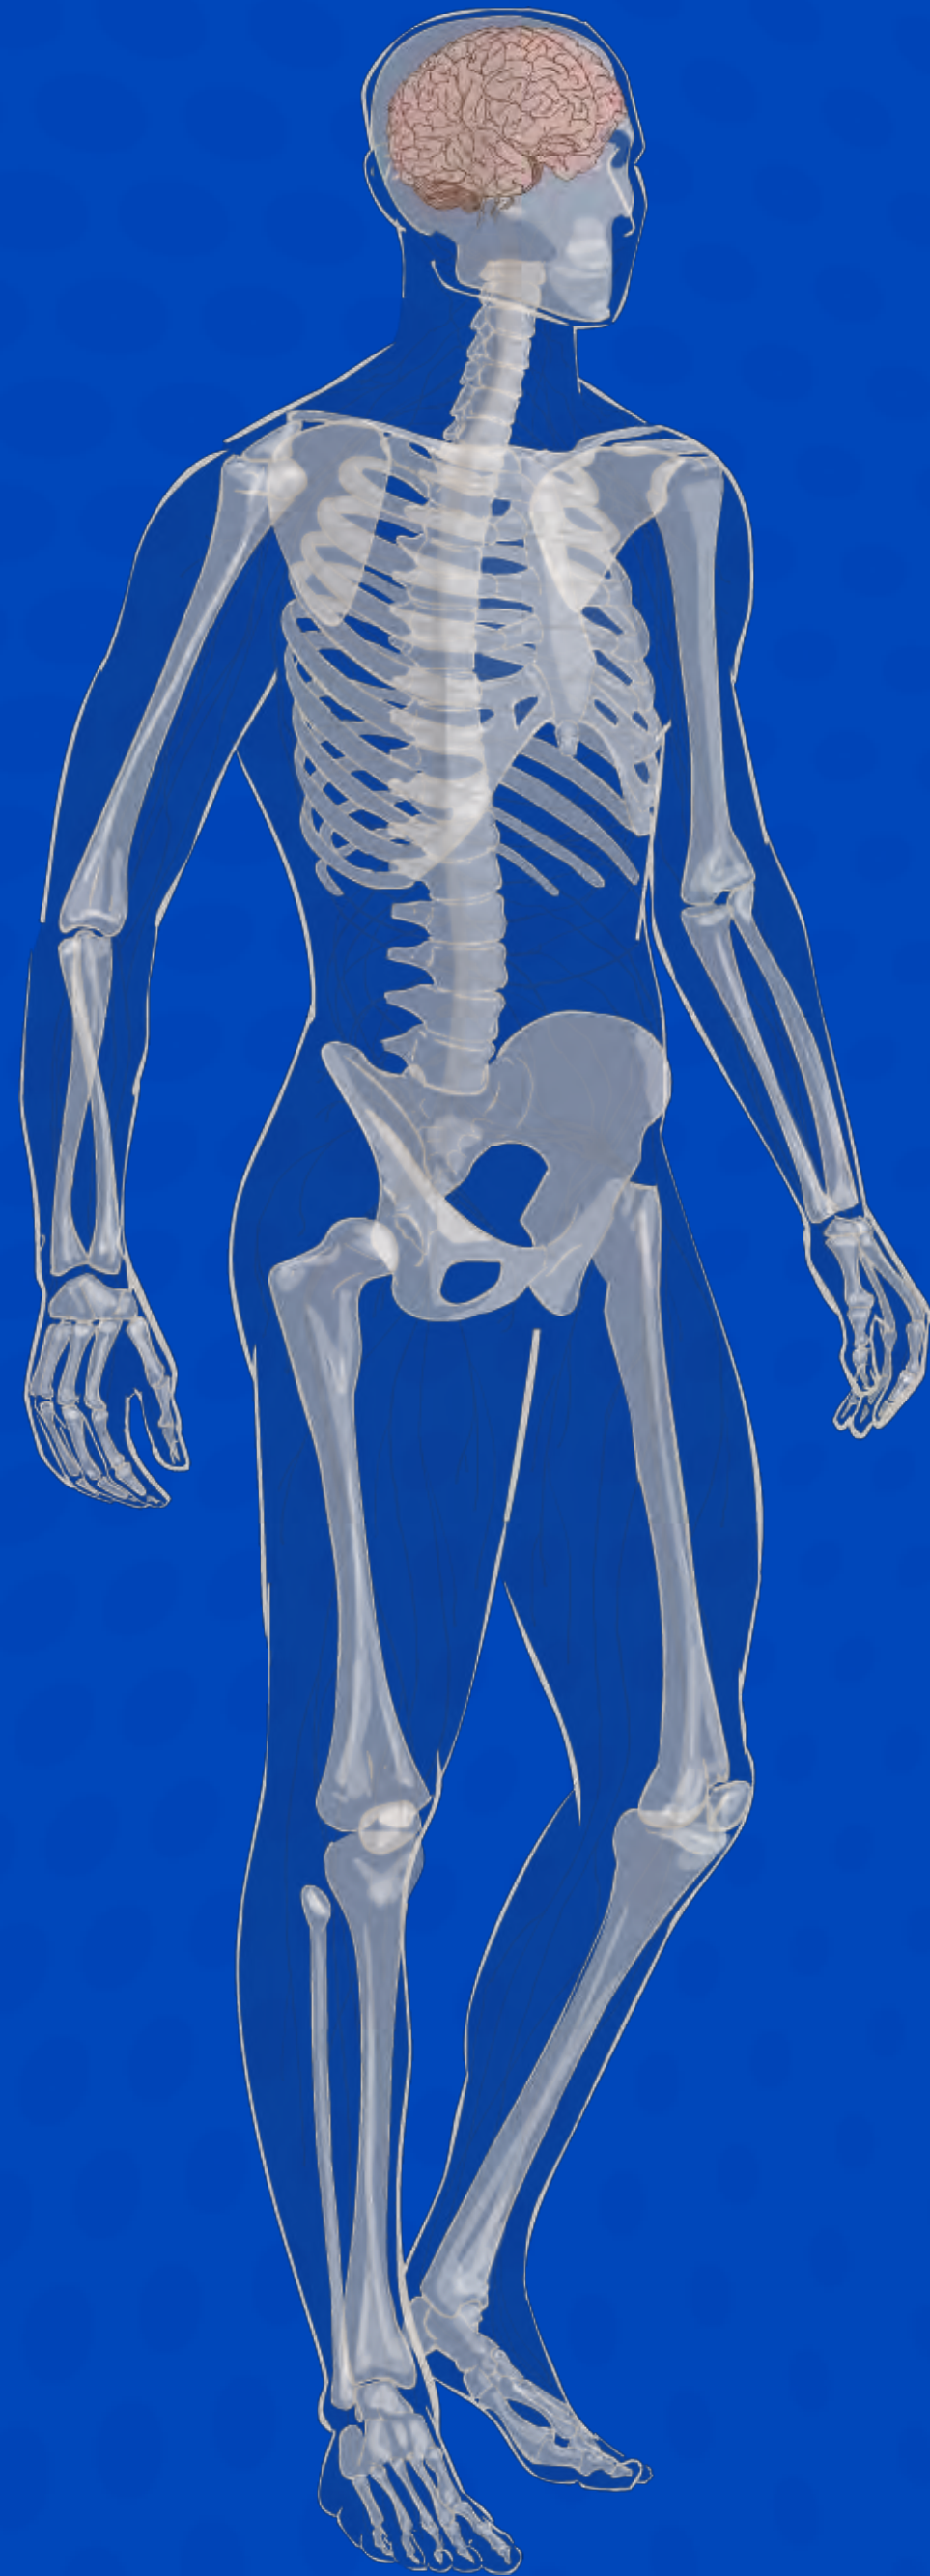

### AdvantraZ<sup>®</sup>

Citrus aurantium changes the way your body metabolizes fat and can contribute to weight loss.

### Proprietary Blend of Green Tea Extract

### (Camellia Sinensis)

It's a strong antioxidant effect that protects the skin from the damaging effect of free radicals. Green tea has also been shown to boost the metabolic rate and increase fat burning.

## **Helps Promote Mental Health**

### **Proprietary Blend (Phenylethylamine)**

A naturally occurring chemical taken to treat depression, accelerate weight loss, and improve mood & attention.

### **Proprietary Blend (Caffeine (Natural))**
