

Here's How to Build Your Business Better, Faster, and Easier than EVER before!

How to Get The App:

1. Go to the App Store or Google Play and download **RapidFunnel**
2. Enter the Group Code **tndsystem**
3. Create your account by entering your personal information and click NEXT. You will then be asked to create a password for your App.
4. Complete the rest of the prompts until you are done

Share Preloaded Content about your Business

RapidFunnel comes pre-loaded with approved company content and pre-written email campaigns, ready to share with just a couple clicks, from anywhere you are!

And Load & Share Your Own Content

Easily load your own links to audio, video, PDFs into your library, then share them seamlessly across social media, email or text.

Then Watch the Activity Happen

Your prospects' activity is tracked, so when they check out what you've sent, you'll get notified in real-time—for the simplest follow up ever.
