

6.0pH “Beauty Water” Acid Water - For external use only

Benefits & Uses

- Shines surfaces, cleans glass leaving no streaks or residue
- Tile, vinyl and laminate floors can also benefit from the 6.0pH beauty water
- Strips soapy residue
- Replace fabric conditioners to leave clothes feeling soft & supple
- Ideal for cooking certain types of food such as rice & pasta

For therapeutic & general uses

- Use for skin conditions such as Psoriasis, Eczema, Dermatitis, Acne & burns
- Soak, spray or wrap nail fungus, athlete's foot, moles, warts, cuts, scrapes, cold sores, canker sores, eye infections, insect bites / stings, rashes, itching of measles, chicken pox, sun burn, nappy rash, dry skin & splash or spray on face & body after washing or showering
- ***You can use this water to help detangle & condition hair***
- ***Apply to face, hair & skin for 7 days, using a misting bottle at regular intervals during the day. You will see, feel & notice the difference on your skin***
- Saving the discharge water - which comes from the bottom grey hose - when you use the Kangen 8.5 - 9.0 - 9.5pH drinking waters - which comes from your top hose - has the same benefits and uses as the above mentioned

Refill and use within 5-7 Days. Store away from direct light.
